# OUR STORY

Achievement First is a non-profit network of college-prep public charter schools. We welcome ALL students, including students with disabilities and English language learners. Our schools are safe and loving, and we nurture excellence in all of our teachers and students. Our students regularly outperform their peers in neighborhood schools and top the city and state average test scores.

We are committed to helping your child succeed at every grade level and earn a college degree. We admit students by blind lottery (though we do offer sibling preference), and there are no admissions tests or fees.

# OUR STRENGTHS

## What makes Achievement First schools great?

- Strong academics and a focus on college
- Passionate teachers who go above and beyond
- Commitment to fostering a love of learning inside and outside of the classroom
- Warm, joyful school culture
- Support for all students, whether they're struggling or excelling
- Longer school day and school year
- Structured environment to help your student succeed

# OUR RESULTS

**All kids can.** AF students are scoring at double the proficiency rates of their peers in our host districts. It shows what we all know—kids can achieve incredible things when you give them the opportunity to do so.

**AF students are college-ready.** Students at AF University Prep High score an average of 1126 on the SAT, outperforming both their peers from similar backgrounds (990) and the national average (1068).

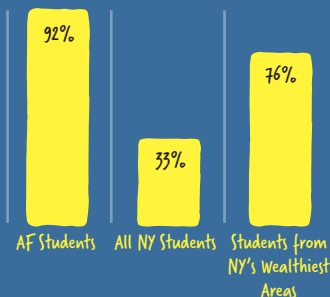

**Our results add up.** Our eighth-graders not only outperformed the New York statewide average, they also outscored the students in the state's wealthiest areas—including Chappaqua, Rye, and Scarsdale—by 16 percentage points.

**We're achieving excellence—nationwide.** Achievement First Bushwick has been named a 2019 National Blue Ribbon School by the U.S. Department of Education. This is a first for our network, and AF Bushwick is among only 362 schools to receive this prestigious honor this year.

## 8TH GRADE MATH PERFORMANCE

When your child is part of our schools, their success is at the heart of everything we do. That means that we're committed to serving all students and to supporting our students with disabilities to achieve at high levels. We meet students where they are, while also holding high expectations.

# OUR SERVICES

## **Support for English Language Learners:**

- »» More time in class, with a heavy focus on learning to read and write
- »» Individualized help for reading (with a focus on phonics and vocabulary) and conversation and comprehension skills
- »» Small class sizes with collaborative team teaching and integrated co-teaching

## **Support for Students with Disabilities:**

- »» Full-class inclusion and access to rigorous, grade-level curriculum through specialized instruction
- »» Small class sizes with collaborative team teaching and integrated co-teaching.
- »» Targeted remediation and intervention
- »» Individualized help through pull-out and push-in support
- »» Speech therapy and occupational therapy
- »» Counseling and paraprofessional support

# OUR STUDENTS

## **At Achievement First, your child will:**

- Join a school community designed to address the legacy of racism in education, and committed to anti-racism in words and actions.
- Read by the end of kindergarten.
- Master mathematical problem solving processes by fourth grade.
- Write literary analysis, argumentative essays, and narratives by eighth grade.
- Take Advanced Placement classes, complete a pre-college program or internship, and earn acceptance to college by 12th grade graduation!
- Work with alumni counselors who provide continued support as they earn their college degrees.

# APPLY TODAY!

2021 – 2022 Lottery Application Deadline: April 1, 2021

How to apply for  
the 2021 – 2022  
AF Lottery

1. Navigate to **<https://achievementfirst.schoolmint.net>**
2. Create an account using your email or phone number.
3. Once your application is completed, click the **SUBMIT** button. A new screen will pop up to confirm your submission. Click **SUBMIT** again!
4. To confirm your application has been submitted, you should see the following: **Great! You've successfully filed an application.**

*All completed applications appear on your **Student Dashboard** page. Submit a separate application for every child applying to the lottery. (On the **Student Information** page, select **Add another student.**)*

If your child is  
the sibling of  
a current  
AF scholar

- › On the **Fill Out Application** page, select **Yes** under **Siblings**. Submit the name, grade, date of birth, and AF school for all siblings of your child who currently attend an AF school.
- › In order to receive sibling preference, your child must share at least one legal guardian with a current AF scholar and live in the same household.

Log in to your account at any time to update your applications and, following the lottery, view your results.

*All applications and statuses are listed on the Student Dashboard page. Family contact and student information can be updated on the Family Profile page.*
